

Errata

Volume 19, Number 1, October 1984, pp. 28-38, "Counselling for cognitive competence" by Jack Martin.

Please note the following:

1. The first two paragraphs in the right-hand column of page 30 have been reversed.
2. The first sentence of the first paragraph beginning in the left-hand column of page 30 should read: "Aspects of competence, and of the *cognitive* competence underlying it. . . ."

Our apologies to Dr. Martin and to our readers for any confusion caused by these errors.

The Editor
