CALL FOR PRESENTATIONS

Presentations are invited from interested persons for the 1974 Western Regional Conference of the Canadian Guidance and Counselling Association. The theme of the conference, "Counselling in Action," asks that presenters be prepared to share a technique, skill, program, etc., with the audience. Therefore, presentations should take the form of workshops, demonstrations, and explanations of successful programs. As an example a presentation might include a brief rationale, a description of the technique or program, some results, and an actual demonstration. To accommodate this type of presentation blocks of 1, 2, 3, and 4 hours have been set aside.

Proposals for presentation should include:

- (1) Presenter's name, address, position;
- (2) An accurate description of the intended presentation (approximately 100 words); accompanying explanatory materials may prove helpful;
- (3) Special requirements such as facilities needed to present program.

All proposals should be forwarded as soon as possible to:
